Memo. No. SPD/SSC/MIS/2024/ 2713-15

Dated Chandigarh the 7/10/24

**Subject: - Regarding generation of APAAR IDs (one Nation, One Student ID) and completion of UDISE Data 2024-25.**

This is with reference to the UDISE Training programme held on 19<sup>th</sup>, 25<sup>th</sup> and 26<sup>th</sup> September 2024, vide which your school officials were oriented on generation of APAAR IDs and completion of UDISE Data for the year 2024-25. APAAR stands for Automated Permanent Academic Account Registry, is a life-long, 12 digit unique identification system designed for all students in India. The National Education Policy of 2020 calls for the need to create a unique ID for student, that will help track students' academic progress and manage their education more effectively throughout their learning journey. APAAR ID will help in maintaining a detailed and permanent record of each student's academic history, including courses taken, grades, certifications, and achievements across different educational institutions through its Digi Locker integration.

Therefore, you are requested to generate APAAR IDs by organizing Parent-Teacher Meetings (PTMs) to educate parents on the importance of APAAR IDs, Distribute and collect consent forms from parents (available at <https://apaar.education.gov.in/resource>) and then generate APAAR IDs for all the students who have provided consent through UDISE Plus website.

In addition to the above you are also requested to complete Student Enrolment Data, verification of all student data i.e. General Profile, Enrolment Profile & Facility Profile, School Profile & Facility Data and Teachers Data under UDISE+ for the year 2024-25.

The generation of APAAR IDs (for all Aadhaar Verified students) and completion of UDISE data 2024-25 must be finalized by 15<sup>th</sup> October 2024.
