**Notice – regarding amended Time-Table for Class I to X, w.e.f. 17<sup>th</sup> Aug. 2022**

Dated : 23.07.2022

Dear Parents,

Because schools re-opened normally from 1<sup>st</sup> Feb. 2022 after two years of intense disturbance due to Corona Epidemic, the School to make it comfortable for the children was following a Time-Table from 8:15 a.m. to 1:35 p.m. and was working from Monday to Friday [every week].

Now the stage has somewhat reached where the daily timings of the school needs to be extended to cover various activities like General Knowledge period, Library period, additional period for either Art/Music/Games apart from extra periods for certain subjects and as a result school will be functional from 8:10 a.m. to 1:45 p.m..

This new Time-Table will be implemented from Wed. 17<sup>th</sup> Aug. 2022 and will be having 6 periods of 40 minutes each and 2 periods of 35 minutes each and break of 5 minutes after every two periods and a 15 minutes Tiffin break.

The implications of the above points in summary form are as follows :

1. The school will now start 05 minutes earlier and school will get over 10 minutes later, so the new timings will be 8:10 a.m. to 1:45 p.m. in contrast to 8:15 a.m. to 1:35 p.m. earlier (as present).
2. The daily Time-Table will thus have 8 period everyday as opposed to 7 periods at the moment. These 5 extra periods per week will be distributed as above stated.
3. School will function Monday to Friday and the weekend [Saturday, Sunday ] will be holiday for children.
4. Winter timings will possibly be delayed 10 minutes both sides towards starting and ending of school and this decision will be conveyed when winter timings will come into effect.
