**Urgent Notice regarding testing of Bus Service at 11 a.m. today**

02/07/2022

Dear Parent/s,

Since the Bus GPS Service is provided with assurity and to rule out the chances of any hiccups in the service (to make sure provision of school Bus GPS Service), a test run will be conducted at 11 a.m. today when the buses will go to petrol pump, Sector 33, Chandigarh for Diesel re-fuelling and for clarity sake issues are as follows:-

- (i) All the school buses will be started at 11 a.m. today (Sat. 02/07/2022). Parents may kindly login as per earlier instructions in Notice Dated 27/06/2022 and 01/07/2022 enclosed below.
- (ii) The buses will be headed very close i.e. to Sector 33 Petrol Pump and the tracking will be visible on your mobile phones.
- (iii) An afforded clarification is that although the GPS unit is turned on by the ignition of the vehicle the unit has a small battery back-up within, the power of which last about one hour. So the implication is that even if the bus has been switched-off the GPS position of the standing bus will be visible for one hour thereafter (post switching off the bus).
- (iv) Assuming the professional services of the service provider of the GPS only one issue will remain which is that your mobile number has been entered inadvertently in the wrong bus route. Although due care has been taken so that no error takes place, yet the stray chance of this happening exists. So from Monday onwards when you follow the Bus GPS, please be assure that it is the correct GPS Bus Route of your child, else bring it to the notice by calling at the School Reception numbers :- 0172-2607524 and 0172-2609622 and speaking to Mrs. Shalini Chhabra.

- (v) It is added here that GPS Service of 3 buses :

Bus No. 1 CH 01 TB 2838

Bus No. 3 CH 01 TB 0782

Bus No. 4 CH 01 TB 6732

- although provided in the bus is not functional yet because the earlier GPS already installed, is to be removed by the service provider with STA Officials (State Transport Authority) as witness, and which will be done by Monday 04/07/2022 The route of these buses are as follows:-

- i. Bus No. 1 CH 01 TB 2838 (Chandigarh – Sec 10, 11, 15, 20, 21, 22, 23, 24, Khuda Ali Sher, Nayagaon)
- ii. Bus No. 3 CH 01 TB 0782 (Mohali, Chandigarh – Sec 44, 45, 50, 51, 63, Ph-4 Mohali, 3B2 Mohali, Sec 70)
- iii. Bus No. 4 CH 01 TB 6732 (Kharar- Palsora, Sec 55, Gillco Valley Kharar, Phase-1 Mohali, Sec 40, 43 New Sunny Enclave, Kharar, Phases 6)

Notice-Regarding Activation of GPS System in the School Buses

01/07/2022

Dear Parents,

GPS Service for Live Tracking of School Buses is now available for all the School Buses. By earlier notice dated 27.06.2022 Annexure – 1 below, Parents were requested to submit relevant details to show the routes of their child on which GPS service is required. Now the Parents are requested to follow the following steps to avail the facility.

Steps to follow:

1. Download the
  - (i) ‘School Bus Tracker’ (Conjoinix Total Solutions Private Limited) App for Android Phone from Play Store, the application is a 22.62 MB size download.,  
**or**
  - (ii) ‘Smart Parent’ (Conjoinix Total Solutions Private Limited) App for iPhone from App store, the application is a 46.4 MB size download.
2. After downloading the ‘School Bus Tracker’(Conjoinix Total Solutions Private Limited) or ‘Smart Parent’ (Conjoinix Total Solutions Private Limited) application from Play Store of your mobile phone, parents have to follow, following steps:-
  - (i) Install ‘**School Bus Tracker**’ App
  - (ii) Click on ‘**Open**’ button.
  - (iii) Enter your registered phone number and Click on ‘**Login**’ button. It will ask for Activation code.
  - (iv) You will receive an ‘**Activation Code**’ for starting of App.
  - (v) Fill in the activation code in the required box. This completes the registration process.
  - (vi) Click on ‘**My Track**’ option from Menu.
  - (vii) Now your App is ready to use for live tracking.
  - (viii) The process (from point iii to v) followed for registration in the App is one time only. Next whenever you need to track your child’s bus you have to just click on ‘My Track’ option after opening the App.
3. The School on its part has already fed the mobile numbers of the parents who have provided their numbers for GPS services and therefore, your child name and Bus no. will appear in the app as above mentioned.
4. You are also informed that the GPS device installed in the bus is activated once the Vehicle (Bus) is started and will stop once the bus is switched off.

For further queries of parents please call at the School reception numbers being 0172 – 2607524, 2609622 and speak to Mrs. Shalini Chhabra
