

TENDER HEART HIGH SCHOOL, SEC 33-B, CHD..

Notice towards declaration of Holiday on Tues 11/07/2023 and Wed 12/07/2023

10.07.2023

Dear Parent/s,

As per the earlier notice dated 09/07/2023 (Sunday) school was closed towards its functioning on Mon. 10/07/2023 and further advisory from worthy Director School Education UT Chandigarh was received in the evening of 09/07/2023 (Copy attached Annexure-1) advising schools to close on Mon 10/07/2023 and Tues 11/07/2023 due to heavy rainfall being experienced in our region.

After having considered the most unusual quantity of rainfall/downpour and keeping in mind the safety and security of children, the school has decided to further close for Tues 11/07/2023 and Wed 12/07/2023.

To continue the studies/academics of children the school staff will conduct online classes on Tues 11/07/2023 and Wed 12/07/2023. It is further informed that Time – Table is being provided to the students for all five days – Mon, Tues, Wed, Thur and Fri (of otherwise normal working days) so that incase of any emergent situation requiring declaration of holiday in school then that particular day’s Time-Table towards online studies will be followed.

To clarify all the above yet again in simpler words - that whereas right now in the current situation and due to heavy rainfall the school is declaring Tues 11/07/2023 and Wed 12/07/2023 as non-working days in school and staff members will be conducting studies for students online, but as a contingency plan Time-table applicable for all the 5 days individually i.e. Mon, Tues, Wed, Thur and Fri is being provided so that the same can be made applicable depending on the day of week in case any emergency requires a holiday to be declared in schools of UT Chandigarh.

Thanking you for your cooperation.

Principal
