Notice – Donation of School Uniform Items

06/04/2023

Dear Parents,

As towards 'RTE Act 2009 EWS Quota Seats' your child's School has chosen to admit and teach children with very poor economic background, and these under-privileged children are already in school.

In this regard if parents have old school clothing (uniform items) and wish to donate the same to school, the school on its part would hand over the clothing items to these children for their use and will also be highly obliged to the parents.

Thanking you once again.

Principal
