

Tender Heart High School, Sector 33-B, Chd.
Notice Regarding Eye-stye (Eye flu)

Dear Parents,

Dated : 24.07.2023

As it has come to the notice of the school that from last mid week onwards there are substantial cases of eye-stye (Eye flu) in the city and which is generally bacterial infection in the upper or lower eyelid.

As this condition is transmittable by touch, you may kindly observe your child very carefully regarding eye-stye and if necessary keep your child home. On similar note teachers of the school have been told to look out for eye flu symptoms in children of their class and send the child home in case of this infection.
