English Speaking, Communication Skills Handwriting / Calligraphy Improvement-

Education is a process, not a product, hence the child's pedagogical needs are to be met as an on-going process, to enable him to think and communicate in both speech and writing. This course has been designed to serve this dual purpose.

Its unique features are:

- i) To enhance confidence among the children through PUBLIC SPEAKING
- ii) To encourage children to learn different forms of WRITING
- iii) To help children comprehend and analyse through READING
