Notice for Class- I to Class-V**

Dear Parents,

Dated : 16.04.2025

In the backdrop of events and due to Corona (Covid 19) outbreak physical running of school/s stopped from 2020 to 2022. Finally due to easing of Corona schools were allowed to run from April 2022 and thereafter Schools have been running normally.

During the above phase of the closure of schools and since the children were not in school the Hobby / Art and Craft classes were called off completely and in continuation of scheduling of Time Table, Hobby/ Art and Craft classes have not started upto today. However now the setting is absolutely perfect to restart Hobby/ Art and Craft classes for the students and the modality setting is as follows –

1. Most importantly the Hobby/ Art and Craft Classes will be conducted only and exclusively on Saturdays (for Academic Session 2025-26).
2. Half the working day of Saturday i.e. the phase post the Tiffin break i.e. 11:20 a.m. onwards will be devoted to the Hobby/ Art and Craft Classes.
3. The school will inform about the working Saturdays for Hobby/ Art and Craft Classes, which necessarily may not be in order, but will depend on the work schedule of that particular week.
4. Students will be informed about the materials required for the particular Hobby/Art and Craft class well in advance so that they may make arrangements and get the required material to school on the day when the Hobby/ Art and Craft class is to be conducted in the school.
