Notice – Annual Function (2023-2024)

12/10/2023

Dear Parent/s,

As informed earlier the school Annual Function Session 2023-24 is scheduled to be held on 27th Jan 2024 towards which purpose Indradhanush Auditorium, Sector 5, Panchkula has been booked and which also has been booked for 25th Jan 2024 for full dress rehearsal.

Enclosed below is the Form for your child's participation in the School Annual Function, towards the parent's consent which you are required to sign and submit to the school.

Participation of students in the School Annual Function is purely voluntary.

The other salient points towards the School Annual Function are as follows:-

- (i) For the particular item of performance a specific dress is purchased common to the performance group (generally Class and Section wise) and is arranged by the School Function incharge teachers and this dress then belongs to the child and is therefore handed over to the child after the function is over.
- (ii) Invariably the choice of the dress/dresses as arranged by the school staff is such that the particular dress can later be used by the child in his private/personal occasion/s also.
- (iii) It is the endeavour of the school to provide (in the majority) branded clothes to the children As per purchase practice of the school staff an attempt is made to source the dresses from well-known places like Westside (Elante Mall), Life Style (Elante Mall), Pammi Stores (Sector 19, Chandigarh), Dress material from Vijay Textiles (Sector 20, Chandigarh) etc. and as an indication the shops/establishments from which purchases are made in totality are about 9 to 13, over a $1\frac{1}{2}$ month time period.
- (iv) Because the last Annual Function was held in the Academic Year 2018-19 and the prices of required dresses would have risen substantially (as with other goods also), the amount to be paid by the parents towards their children's dresses would be indicated once the staff members have conducted a brief survey of the cloth market.

The school will convey the exact amount to the parents, whereas on an estimated basis, the dresses would cost between Rs. 2900/- to Rs. 3200/- per child.

This cost paid by the parents towards the school Annual Function dresses include ribbon, stockings, skewies, hair accessories, minor head-gear and decorations where applicable and these accessories are also given to the children.

- (v) For senior classes stitching charges may be involved, which are included in the above indicated amounts.
- (vi) Since the arrangement and purchase of dresses starts much in advance, parents are requested to kindly take a firm decision regarding their child's participation in School's Annual Function before signing in affirmative the Consent Form attached, keeping in mind the cost for the dresses.

The 'Consent Form' may kindly be submitted at the School Reception or to the Class Teacher latest by Tuesday 17/10/2023.

Thanking you for your co-operation in this matter.
