Notice regarding COVID -19 Vaccination

29.04.2022

Dear Parent/s

As per email received from District Education Officer asking for students in the age group of 12-18 years who have been vaccinated with Covid Vaccination (Single Dose/Double Dose) towards the same.

You are requested to kindly inform your child's class teacher whether your child has received COVID vaccination or not.

Further, from the side of the school there is no recommendation, to take or not to take Covid vaccination either way.
