Notice regarding wearing face mask in closed environment

26.04.2022

Dear Parent/s,

As per order dated 25/4/2022 of the Worthy Advisor to Administrator the wearing of face masks has been made compulsory, importantly 'in the closed environment' and is applicable to all Educational institutions including schools.

As the result of the above parents and students may kindly take the following steps.

- (i) Students in the closed environment will be required to wear face mask when they are sitting in classrooms.
- (ii) Parents visiting the school and when entering the school building will be required to wear face mask.

This may kindly be followed strictly.
