Notice regarding Time-Table during Half Yearly Examination-2022

05/09/2022

Dear Parents,

As per earlier notice 20/8/2022 it was informed that during the Half-Yearly Examinations 2022 - Examination days and non-Examination days will be working days for students of all classes from 8:10 a.m. to 1:45 p.m.

In this regard because pertinently revision of syllabus of forth-coming papers assumes paramount importance, a examination period specific Time-Table has been prepared catering to the above needs. The same is enclosed and importantly it is not repetitive to the week days e.g. Time-Table of Wed, 7th Sept 2022 will be different from Wed, 14th Sept 2022 and similarly for the other weekdays of concurrent weeks. Currently the Time-Table of studies for Examination and non-Examination days is submitted to you for the 1st week of Examination i.e. from 6/9/2022 to 10/9/2022 and Time-Table of subsequent weeks of the Examination will be submitted to you on the Saturday/Sunday prior to the start of the next week of Examinations.

Children/students may kindly pack their bags, text books and exercise books according to this Time-Table.

Needless to say that post - Half-Yearly Examinations 2022 the (regular) earlier Time-Table will be followed.

Principal
