Dear Parent/s,

The Certificates towards pass-out Class X students have been received from the Council and are further ready for being handed over to the parents.

These Certificates/Certifications are 5 in number as follows:-

- (i) Statement of Marks - as sent by the Council.
- (ii) Pass Certificate - as sent by the Council
- (iii) Migration Certificate - as supplied by the Council and filled by the School.
- (iv) Transfer Certificate - as prepared by the School.
- (v) Character Certificate - as prepared by the School.

Further you will receive 7 original attested True-copies of photostat (as prepared by the School) of each of the above Certificates.

The said Certificates and Certified True-copies (as above) will only be handed-over to either of the two parents i.e. mother or father and not to either the concerned student or to any representative.

[In the past many years few (handful) parents have sent representatives to collect the above Certificates but the School has refused to do so. All other factors apart the Council itself has given strict instruction in this regard]

Once you are on the school premises to receive these Certificate, you are requested to kindly check all the documents very carefully as also you will be required to receipt (by signing) each document separately.

As already indicated in the title of the notice - please collect the certificates any time after 9:00 a.m. on Saturday 30/07/2022.
