**Notice regarding postponement of Unit-test/Worksheets**

05.02.2024

Dear Parent/s

This notice is regarding the Unit Tests/ Worksheets earlier scheduled from 23<sup>rd</sup> Jan 2024/29<sup>th</sup> Jan 2024 and whereas schools have only been allowed to re-open from 29<sup>th</sup> Jan 2024 onwards and although online classes have been conducted but syllabus in physical mode has not been completed.

Subsequent to physical re-opening of schools the Annual Function earlier scheduled for 27<sup>th</sup> Jan 2024 now stands postponed to 8<sup>th</sup> Feb 2024 and the students participating in Annual Function (which itself is being conducted after 4 years) are currently undergoing intense practice for Annual Function on daily basis.

As a consequence of all the factors combined, the earlier schedule of Worksheet/Unit-test stands postponed to dates post the Annual Function and most relevantly after the course/syllabus itself has been covered.

Since after effective academics from 10<sup>th</sup> Feb 2024 onwards the children will have to be given ample educational instructions to appear in Annual Examination, a decision may be taken in consultation with the staff members to cancel the Jan/Feb scheduled Worksheets/Unit-Tests and such a decision if taken will be conveyed to the parents in due time. Needless to say that the children/students will be fully prepared by the teaching staff for appearing in Annual Examinations after the Annual Function.
