

**TENDER HEART HIGH SCHOOL, SEC 33-B, CHD..**

**Notice towards Report-Cards-all classes**

17.02.2022

Dear Parent/s,

As the Report Cards to be filled towards the final examinations (Annual Examinations) have certain columns which can only be filled by direct interaction with children and whereas earlier children were specially called to school to interact with the class teacher, now since the teachers are already teaching students offline, the students are required to attend school towards the cited interaction.

The students who have not as yet attended school may please do so for at least few days so that the columns in their Report-Card may be filled in by the teachers.

Principal
