Notice - Class IX

Dated : 03.10.2022

Dear Parent/s,

The school is sending you a print-out of the official entry (particulars) of your child as currently appearing in the Council's record towards Registration of students in Class-IX. Please go through the entries very carefully and if you require any change especially with regard to spellings of name of mother, father or child you may kindly contact the school immediately.

Signatures of both the parents (mother and father) with date are most essential on the submitted entries (printed form) and there should be no incident where either the child has signed on behalf of parents or mother/father have also signed for each other. After the parents have signed on the printed sheet it needs to be returned to the Class Teacher of your child by 06.10.2022.
