Notice – No Smart Watches to be Worn in School

Dated : 22.07.2022

Dear Parents/Students,

This is to bring to your notice that many a children have been found wearing so termed ‘Smart watch’ and whereas this is not only on the uptrend but also leading to competition among the students (with other students seeking to wear smart watches) but most importantly drawing away the focus and attention of the children wearing these smart watches and continuous fiddling with it (the watch).

As a simple administrative measure and to maintain the required discipline in the school no ‘Smart watch’ will henceforth be allowed in school and you may kindly make sure that your child does not wear/use them in school hours.
