

Tender Heart High School, Sector 33-B, Chd.

NOTICE FOR PARENTS/STUDENTS OF CLASS -X

Dear Parents/Students,

Dated : 04.12.2024

As you are aware that the course in the subject of Geography for ICSE Class X has a component relating to 'Interpretation of Topographical Map' being Part-I of the Class-X syllabus and is marked as a compulsory section.

Apart from the internal steps so taken to strengthen the knowledge of Topographical Sheets the School has now engaged the services of Mr. Darshan Singh Koonar, Ex-Geography teacher Yadavindra Public School, Mohali and who has taught Geography part time at Tender Heart High School more than 15 years ago. Mr. Koonar will take extra classes on the Topography part of the syllabus starting from Monday, 09.12.2024.

Timings for the classes are as follows :-

(i) Class - X A 8:20 a.m. to 09:40 a.m.

(ii) Class - X B 9:45 a.m. to 11:05 a.m.

Rest of the Time-Table (for both Class-10 A & 10B) will remain the same i.e. students will attend normal school with regular school Time-Table.

The students may kindly note that these classes being run will immensely benefit the students. Also as earlier stated the Topography section is a highly scoring part of the paper and the school is very much interested that each student scores at least 18 out of 20 marks with the aim of scoring 20 on 20 marks.

Students are required to bring coloured pencils, notebook and Exercise Book of Topography. Parents are requested to ensure 100% attendance of their wards so that they can take full advantage of these classes.

Principal
Tender Heart High School
