Rain Rain Come Again

This is a story of animals. Animals were very upset due to rain as they will not be able to play in park. Zippy and his friends were little upset when Chikki, the monkey asked them to get indoors. All the animals were finding things they liked to do. Snowy, the bunny got her Furry Tales. The Bears found their craft work and colours. Zippy found a plane to play with. Ellie, the elephant was trying to solve the puzzle. Chikki had fun jumping on the bed, doing flip-flops. While doing somersaults, he landed onto the puzzle. Soon, a snack break was there. They had bananas, sandwiches and coke, cookies and carrots.

Then Chikki brought everyone's notice to messy room. He asked everyone to tidy up the room before his mom comes. So everyone worked as a team and soon everything was back in place. All the friends were happy. They had a lot of fun that day. They wanted to come again when it rained. Chikki asked them to come every week. Everyone Cheered.
