L-11 Our Mother (Poem)

This is a wonderful poem for mothers.
A child is showing his love for his
mother.

He is saying there are hundreds of
stars in the sky and hundreds of birds
flying high in the sky.

Hundreds of shells, creatures
and dew drops, butterflies, beetles but
the mother is only one.

No one takes care of the child
as a mother do. So we should
always respect and obey our mother.

Book exercises will be done in book.
