In this assignment children we will learn about "My Ideal House"

In a house there are many rooms in a house. Each room is meant for a different purpose like :-

Bedroom - We use to sleep here.

Kitchen - We cook food here.

Bathroom - We take bath here.

Study Room - We study here.

Drawing Room - We receive our guests here.

Dining Room - We have our food here.

Bedroom**Kitchen****Bathroom****Living Room****Dining Room**

An ideal house is one that is small but beautiful. It has many doors and windows. Windows let sunlight and fresh air into the house. An ideal house is clean and tidy. It is free from pest like lizards, houseflies, mosquitoes, cockroaches and rats.

How to keep our house clean?

We should follow some rules to keep our house clean and tidy.

- ★ Keep your things in their proper places.
- ★ Dust the furniture everyday.
- ★ Remove cobwebs from every nook and corner.
- ★ Broom and mop the floor everyday.
- ★ Throw the rubbish in the dustbin.
- ★ Keep the toilet clean.

How to decorate our house?

On some occasions like birthdays, weddings and festivals, we decorate our houses to make our house look beautiful. We decorate our houses with flowers, buntings, balloons and lights.
