L-2. Animals

Summary :-

Children, In this poem, we will learn about animals and their habitat. Animals live in many places, in water, grass and trees.

They move differently, some hop, some jump, some climb and some run.

Some animals can swim others can fly in the sky.

Some smaller animals crawl.

Whales dive, bee buzz.

Then the poet imagines himself being an animal. He says if I would be an animal, I would live wild in the woods and run from here to there.

Let's Do the exercises in book and learn

L-4 Little Kitty

This poem is about a little Kitty. The girl loves her Kitty and tells why her Kitty loves her. She says that she loves her Kitty. Her fur is so warm and If the girl do not hurt the Kitty, the Kitty will make her no harm. The girl says that she will not pull her tail or never drive her away. Both of them will play gently. The Kitty will sit by girl's side and the girl will give her some food. The Kitty loves the girl because she is gentle to the Kitty. We should always be gentle to the animals.

Now let us re-read the poem and understand it
