

Date: 29.04.24 Teachers: Mrs. Harminder Kaur, Mrs. Navjot Kaur

Topic: Draw and Colour A Ball

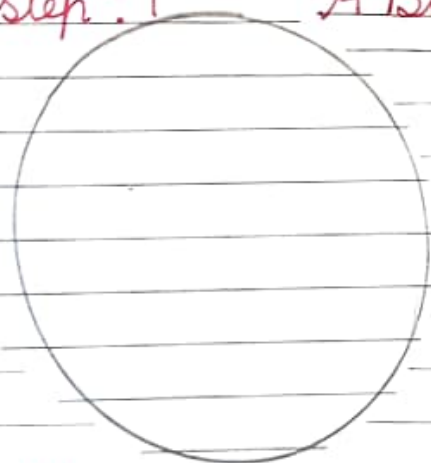

This assignment is for Class I for the Subject of Art.

Children in this week we will draw and colour A Ball. Let us draw it.

First draw a circle with the help of a big circular object. Then draw a small circle inside a big circle. Then put dots on the outer circle leaving equal distance. Now, start making curves by joining the dots from the small circle to form curves. Join all the dots and do outline with black crayon. Colour the ball of your choice slowly and neatly.

Parents are requested to make their child practice at home in your Rough Note Book.

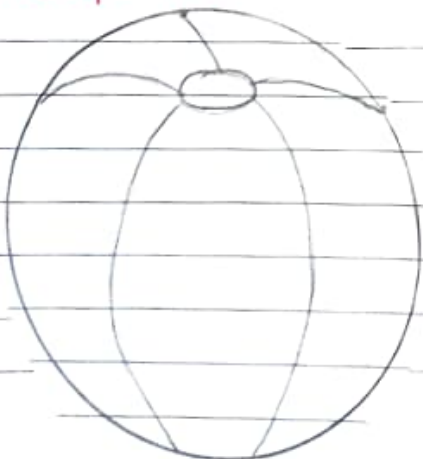

Step: 1 A Ball

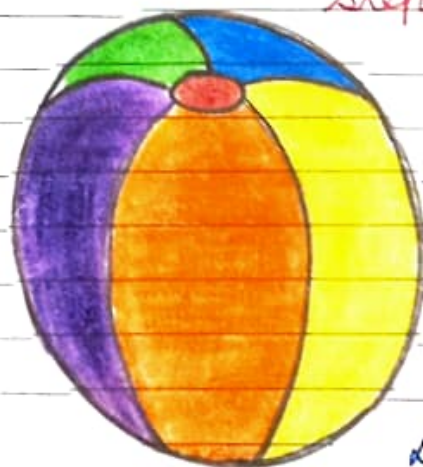

Step: 2

Step: 3

Step: 4
