Topic: 1- My Family

This assignment is for Class I for the subject of EVS dated 6th May 2024.

In this lesson "My Family" we will learn meaning of family, Types of families members in a family.

Parents and children together make a family. A family live together in a house. It is their home. Some families are small, some are big.

A family having parents one or two children is called a small or nuclear family.

A family having more than two children is called a big family. In joint family, grandfather, grandmother, mother, father, uncle, aunt and their children live together. All the family members have a common surname. We should help our family members at home.
