

TENDER HEART HIGH SCHOOL, SEC-33B, CHD.

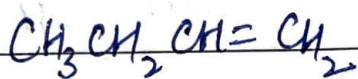

CLASS - X
CHAPTER - 12

SUBJECT - CHEMISTRY
TEACHER - ANAMIKA

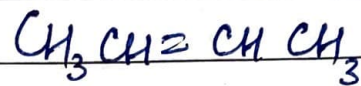

Alkenes occur in free state.

Isomers in alkene :-

Position isomer

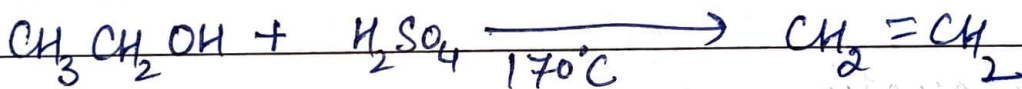

1-Butene

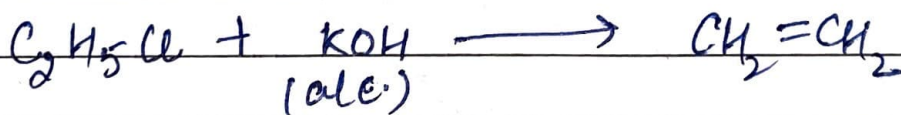

2-Butene

Preparation of ethene

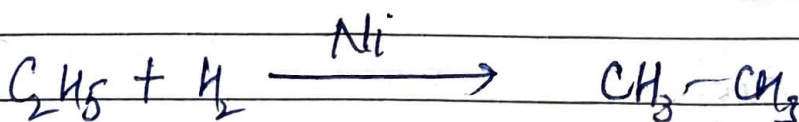

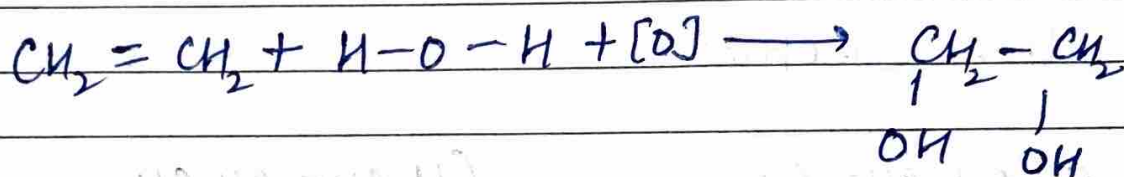

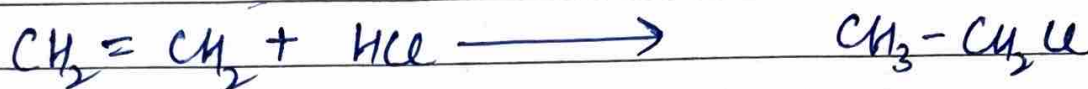

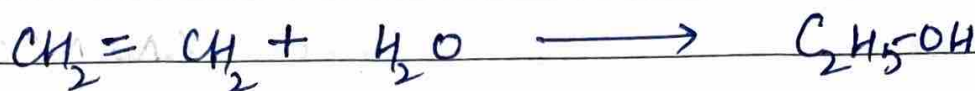

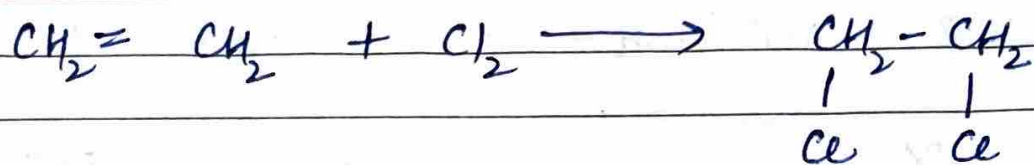

Dehydrohalogenation

Chemical prop.

Addition Reaction

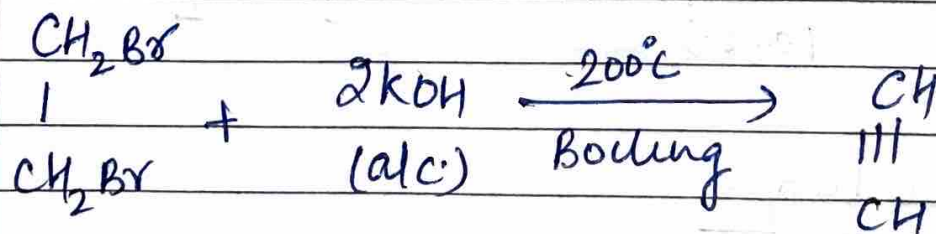

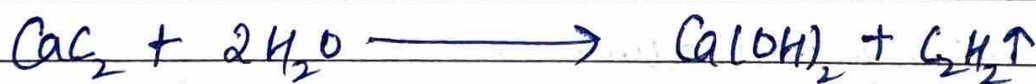

Alkynes

Isomers of alkynes

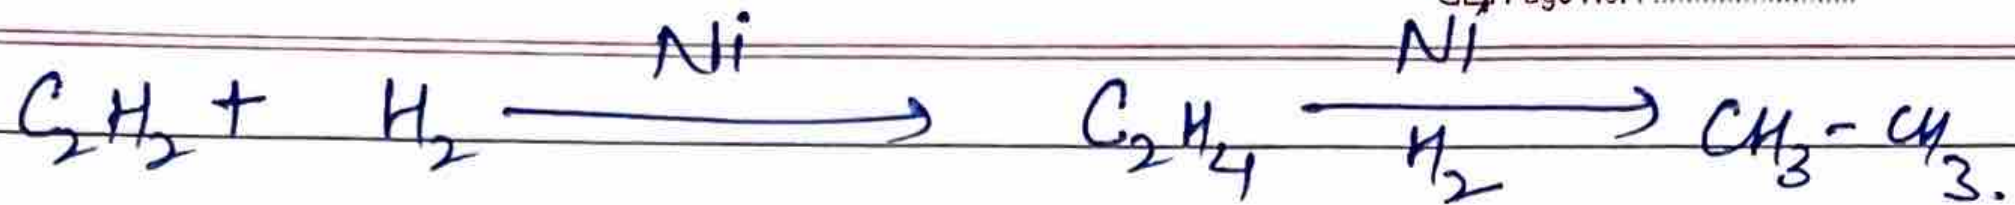

Position isomer.

Preparation

Chemical prop.

Addition Reaction

Reaction with HCl
