

# Places in My Neighbourhood

The area around our house is called our **neighbourhood**. There are many houses around our house. People living in these houses are our **neighbours**.

There are many buildings located near our house like market, bank, hospital, post-office, police station, school, fire station, etc. Let us know about these places:

## Market

A market is a place where many shops sell different things. We buy grocery, stationary, milk, fruits, vegetables, clothes, etc. from a market.

## Did You Know?

You can now order grocery items online from Big Basket, Grofers, etc.

## Did You Know?

Nowadays, we have supermarkets and malls that sell different things from the same building.

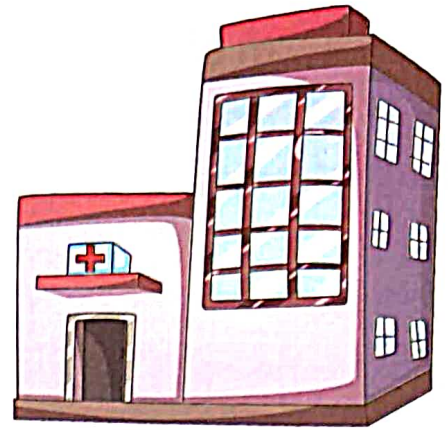

## Teacher's Tip

Tell the children about various useful places in a neighbourhood.

## Hospital

We go to a hospital when we are sick. We have doctors, nurses and other staff in the hospital.

Hospital

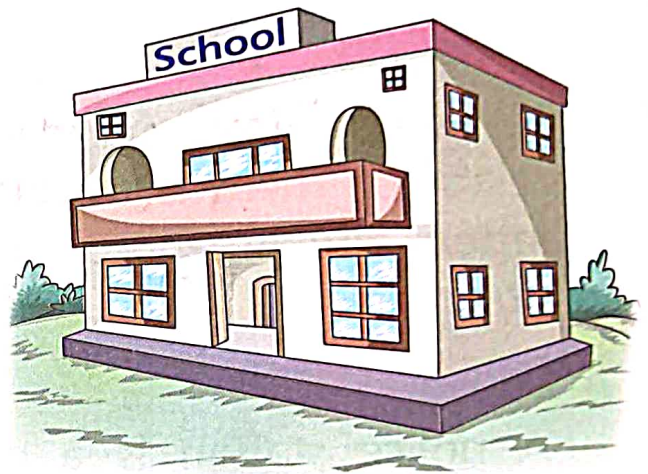

## Did You Know?

To call an ambulance, dial 102.

## School

School is the most important place in our neighbourhood. We learn many things in the school.

Teachers teach us to read and write. We learn good manners in the school. Our Principal, teachers and even our classmates help us in the school.

School

Bank

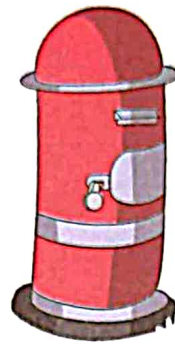

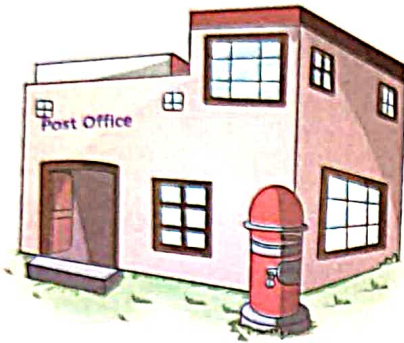

## Bank

Bank is also a useful place in our neighbourhood. We can deposit and withdraw money from the bank. Cashier and bank manager work in a bank to help us.

## Post Office

A post office is a very useful place in our neighbourhood. We buy stamps, envelopes and postcards from the post-office. We

can send letters, parcels and money orders to our friends and relatives. There is a post-box and postage stamps for posting letters and greetings. The person who delivers the letters is a postman.

## Police Station

A police station is a place where policemen work. They keep us safe. They protect us from thieves and robbers. They catch thieves and put them behind bars.

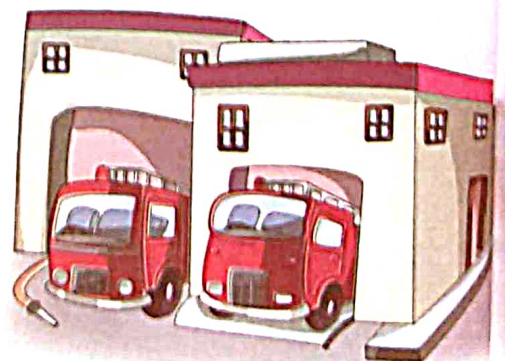

### Did You Know?

To call police, we dial 100.

## Fire Station

A fire station is a place where firemen are always ready to help in case of fire. Firemen quickly reach the place of fire on a fire brigade. They put out the fire with water. Their emergency number is 101.

All these places help us to lead a smooth and secured life. We should always appreciate the services provided by the people working in these places.
