Summary :- This amazing lesson is about the concept of 'School'.

There is a Mr. Bear who always wants to do a good deed for others. He suggests to have a school where all animals would come and learn new things.

His wife immediately agrees to go to school, as she wants to learn to make cakes and cookies from Mrs. Rabbit.

So she discusses this with her neighbours. All the animals get excited to learn new things, so they all get ready at 9 O'clock and reach the school.

Now the problem arises that who will be the teacher. To this, Mrs Bear suggests that we all will be teachers and so they all taught each other.

Each one had something to teach and learn from others.
