Class: III

Subject: Mathematics

Topic: Revision

Date: 27.01.2025

Good Morning students

This is a revision worksheet and it is being submitted to you on 27.01.2025.

Revision

1. A shop sells computers. The monthly sale (January - June) is represented in the following pictograph.

The monthly sale (January - June) is represented in the following pictograph.

Each  represents 10 computers.

Month	No. of computers sold
January	           
February	     
March	         
April	            
May	   
June	      

Now look at the pictograph and answer the questions that follow:

- a) In which month was the sale minimum?

May

Now look at the pictograph and answer the questions that follow:

- In which month was the sale minimum?
May
- In which month was the sale maximum?
April
- Is the sale equal in any two months (yes/no).
No
- In which month 70 computers were sold?
June

2. In a Mathematics test the following marks were obtained by 40 students. Arrange these marks in a table using tally marks.

8 1 3 7 6 5 5 4 4 2 4 9 5 3 7 1 3 5 2 7
7 3 8 4 2 8 9 5 8 6 7 4 5 6 9 6 4 4 6 6

Marks	Tally marks	Number of students
1		2
2		3
3		4
4		5
5		5
6		5
7		5
8		4
9		3

- a) Find how many students obtained marks equal to or more than 7?
12 students
- b) How many students obtained marks below 4?
5 students
