You have already learnt that

1, 3, 5, 7, 9, 11, 13, 15,..... are odd numbers.

2, 4, 6, 8, 10, 12, 14, 16,..... are even numbers.

Ask your teacher to tell you more about these numbers.

All you have to do is to cross (x) the letters in the boxes that have even numbers. Then use the left-over letters to make a word that stands for the words next to each line. One has been done for you.

1.	U	T	Z	R	N	I	A	Transport
2.	M	R	T	T	E	U	B	Food from milk
3.	R	P	A	R	S	T	O	A pet bird
4.	K	M	N	A	X	O	G	A fruit
5.	G	E	D	L	Q	I	H	A city
6.	Z	S	E	R	A	B	X	A wild animal
