Solomon, the king of Jews, was famous for his wisdom. It was said that he understood the language of animals and birds. The fame of his wisdom spread all over the world. As a result, ^{the} Queen of Sheba travelled from her own land to meet King Solomon. She gave him rich and costly gifts. She asked him many questions and puzzles to guess. And the king answered her all the questions and puzzles wisely. One day King Solomon and the Queen of Sheba went out riding together, with their lords and servants. After some time, they came to a great anthill, which was right in the king's path.

The ants were frightened to hear the heavy sound of the horses. The ants started talking among themselves. King Solomon heard the ants saying that it was sad that the greatest and wisest king in the world coming to crush them in the dust. Solomon heard and laughed whatever the ^{ants} said.
