

Indian classical music dates back hundreds of years. It is a complex system of melody and rhythm based on the concepts of raga and tala. Our classical music has two branches—the Hindustani tradition that developed in the north and the Carnatic tradition that developed in parts of the Deccan and the southern states. Vocal music is very important in India.

Identify the following vocalists with the help of the pictures given below.

1

Kaushiki Chakrabarty

2

Nithyashree Mahadevan

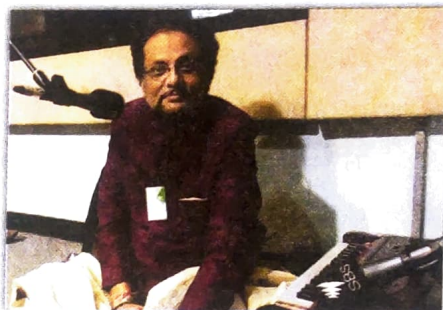

3

Sudha Raghunathan

4

Shubha Mudgal

5
