

Tender Heart High School

Class: VII

Subject: Art, Date: 22.4.24

Topic: Painting Practice Exercises

Subject Teachers: Ms Surinder Kalsi, Ms Harnoor Suri

Introduction:

1. Start by taking some poster colour in your palette and with a round brush draw some fine lines across your page: vertically, horizontally and diagonally. Try to keep the lines as even and smooth as possible.
2. Next, try drawing a spiral in both directions.
3. Finally practise laying down flat colour on your sheet. Try to keep the colour free of patches and lines.
