Subject: Art, Date: 22.4.24
Topic: Drawing and Shading a Tree
Subject Teachers: Ms Surinder Kalsi, Ms Harnoor Suri

1. Start by drawing the tree trunk and some roots. Draw a few thick branches at the top of the trunk.
2. Draw some cloud shapes to depict the shape of the tree
3. Add details such as finer branches, some more foliage, grass around the roots, etc.
4. Add shadows using a blunt shading pencil.
5. Darken the shadows where required and add more details by scribbling in zig zag lines.
