Class: IX

Subject: Art, Date: 22.4.24

Topic: Object Drawing - Mug

Subject Teachers: Ms Surinder Kalsi, Ms Harnoor Suri

### Instructions:

1. Begin by drawing rough guiding lines to mark the length and width of the object.
2. Roughly draw out the shape of the object with a light pencil (HB).
3. Erase the extra lines and start to shade in the darkest areas of the object (shadows) with a dark pencil. (4B or 6B)
4. Be careful to leave the highlights (areas where light hits the object) untouched from the beginning till the end.
5. You may use a clean tissue or a smudging tool to give a blended effect to your shading.
