NOTICE – regarding winter timings and winter uniform
for Class I to Class X

Dated : 31.10.2025.

Dear Parents,

This is to inform you that **winter uniforms** will be applicable from **Monday, 10th November 2025**. Parents are requested to refer to the **School Diary (Session 2025-26)**, **pages 21–23** for complete winter uniform guidelines.

Further, there will be a **minor change in school timings** for the winter schedule. With effect from **Monday, 10th November 2025**, the school timings will be: **8:20 a.m. to 1:55 p.m.**

Note:

Until the commencement of the winter uniform, there may be days when the weather is cold in the early morning. In such instances, parents may send their child in light winter wear (e.g., inners, leggings, or a light jacket), based on their comfort and parental discretion.

As temperatures tend to rise considerably by mid-day, parents are requested not to overdress children. Excessive layering in early winter has previously resulted in discomfort and health concerns such as nosebleeds in some students.

We also request you to ensure that all winter clothing and accessories are properly labeled with the student's name and/or Admission Number to avoid loss of items.

We appreciate your cooperation.
